E-Mail from Gary S. Barnes, Ph.D. - . Could you verify for me that I can get CEU credits for the two classes I taught in 2013-2014 and 2014 to 2015? I am teaching first and second year Psy.D. Clinical Psychologists at Antioch New England. In 2013 I taught Pro-Sem I. It was my first year and I was responsible for developing my syllabus and reading list. Then in 2014 I began teaching Pro-Sem II, the second year course with a new syllabus and reading list. My understanding is that I can get 10 credits of Category A for each of these classes as this was the first year I taught them. Is this correct?
